GALA CHORUSES The Gay Men's Chorus of Honolulu is a proud member of GALA Choruses.

The Gay and Lesbian Association of Choruses leads the North American LGBT choral movement. Our more than 170 member choruses and their 8,000 singers look to us for support and leadership. We are dedicated to helping choruses become more effective, both artistically and administratively. We assist emerging choruses and facilitate networking and training for established groups.
